

## ENTRY LEVEL CIVIL ENGINEER

### Tualatin, Oregon; Keizer, Oregon and Vancouver, Washington

AKS Engineering & Forestry (AKS) is seeking entry level permanent full time Civil Engineers for our Tualatin and Keizer, Oregon and Vancouver, Washington offices. The focus of this position is to work with the Project Engineer to provide design engineering for site development of residential, industrial, commercial, education, recreational, or public works projects.

If you are looking to join a well-respected and talented team of professionals in a dynamic organization, then you'll want to consider AKS. Come grow your professional career at AKS!

#### Ideal Candidate Qualifications:

- BS in Civil Engineering and or Forest Engineering (required)
- FE and or FLS (preferred)
- Effective written and oral communication skills
- Ability to work quickly, manage multiple and conflicting deadlines, establish priorities
- Assume personal responsibility for completing quality work within budgets and timelines
- Comfortable networking with clients and colleagues to develop and maintain professional relationships

#### Job Functions & Responsibilities: working under the direction of the Project Engineer

- Perform street and utility design per county/city standards and conditions of approval while maintaining good communication with the planning/engineering staff of the jurisdiction to minimize future changes and misunderstandings
- Perform Hydrology/Hydraulic calculations for designing stormwater management systems.
- AutoCAD/Civil 3D drafting including importing points, line work/drafting, generating and modifying horizontal and vertical alignments, grading, performing earthwork calculations, generating and transferring points, etc.
- Generate and compile submittal packages for land use applications, construction plans, survey records, etc.
- Survey/utility research
- Work in the field to learn AKS procedures for construction inspection, construction staking, topographic, and boundary surveys
- Complete projects and special assignments as requested
- Work overtime as needed
- Travel out of town/overnight as needed
- Drive a company-owned vehicle (must have a valid Driver's License)
- Do what needs to be done

Also, AKS values and supports professional licensure. AKS encourages employees to learn and study the engineering and land surveying professions to increase their knowledge, and will assist them in attending related seminars and obtaining study materials to prepare for the FE/PE and/or FLS/PLS exams.

#### About AKS:

AKS is an infrastructure engineering firm that serves a combination of public and private clients in the Pacific Northwest. Our company provides a unique combination of services including civil engineering, surveying, planning, landscape architecture, arboriculture, natural resources, and forestry. We have an established, broad-based portfolio of clients including land owners, real-estate developers, architects, government agencies, public service providers, timberland owners, and others. With three offices and over 20 years in

---

business, AKS is a well-respected and trusted resource to our clients. Visit our website at [www.aks-eng.com](http://www.aks-eng.com) for additional information about the work we do.

**The Culture:**

AKS is not your typical consulting firm. We have created a unique work environment that is professional, friendly, casual, hardworking, and fun. With a reputation built on personal responsibility, straight answers, practical solutions, and above all else, client service, AKS has become a highly sought-after place to work. We specifically place our offices in the outskirts of larger cities, providing us faster response to our clients and a shorter drive to work for most employees. We emphasize building long-term relationships with clients at all levels of our organization and this philosophy has allowed us to expand and grow. Every employee is treated as a valuable asset and everyone's voice matters.

**Benefits:**

AKS values our employees and proudly provides competitive compensation and benefits. Checkout the Careers page of our website for more information on all that AKS offers.

**AKS Engineering and Forestry, LLC is an Equal Opportunity and Affirmative Action Employer.** All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or veteran status.

**Please apply online with resume, cover letter, and references at [www.aks-eng.com](http://www.aks-eng.com).**
