

2018 Summer Internship FIELD SURVEY TECHNICIAN

Tualatin, Oregon and Vancouver, Washington

AKS Engineering & Forestry (AKS) is seeking qualified individuals for a Summer of 2018 intern position in our Tualatin, Oregon and Vancouver, Washington offices. You will work closely with Project Surveyors, AKS survey crews, Project Engineers, and Project Managers on a mixture of private and public works projects. This is an hourly paid position, eligible for overtime at 1 ½ times the regular hourly rate. Could lead to a full-time position.

This is an excellent opportunity to learn on-the-job with a respected and talented team of professionals in a dynamic organization.

Ideal Candidate Qualifications:

- No previous experience required
- Currently enrolled in a 4-year accredited program in Engineering/Forestry/Surveying
- Capable of performing basic surveying/engineering computations and making good decisions
- Eager to learn
- Ability to work quickly and meet deadlines
- Ability to work as part of a team
- Assumes personal responsibility for completing quality work

Job Functions & Responsibilities: *Working under the direction of the Project Surveyor*

- Learn AKS procedures for field work for boundary, construction staking, and site map/topography surveys
- Work up to 60 hours per week in adverse weather conditions and difficult terrain
- Perform physically demanding work including packing heavy survey equipment, pounding hubs, and brush-cutting sight lines
- Perform survey/utility research
- Maintain good communication with other coworkers and clients
- Must have a valid Driver's license and be capable of operating company-owned vehicles
- Travel out of town/overnight when needed
- Do what needs to be done

About AKS:

AKS is an infrastructure engineering firm that serves a combination of public and private clients in the Pacific Northwest. Our company provides a unique combination of services including civil engineering, surveying, planning, landscape architecture, arboriculture, natural resources, and forestry. We have an established, broad-based portfolio of clients including land owners, real-estate developers, architects, government agencies, public service providers, timberland owners, and others. With four offices and over 20 years in business, AKS is a well-respected and trusted resource to our clients. Visit our website at www.aks-eng.com for additional information about the work we do.

The Culture:

AKS is not your typical consulting firm. We have created a unique work environment that is professional, friendly, casual, hardworking, and fun. With a reputation built on personal responsibility, straight answers, practical solutions, and above all else, client service, AKS has become a highly sought-after place to work. We locate our offices to provide faster response to our clients and a shorter drive to work for most employees. We emphasize building long-term relationships with clients at all levels of our organization and this philosophy has allowed us to expand and grow. Every employee is treated as a valuable asset and everyone's voice matters. We offer a supportive work environment with an excellent benefit package and an outstanding opportunity for personal and professional growth

Benefits:

AKS values our employees and proudly provides competitive compensation and benefits. Checkout the Careers page of our website for more information on all that AKS offers.

AKS Engineering and Forestry, LLC is an Equal Opportunity and Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or veteran status.
