**EXPERIENCED SURVEY MANAGER JOINS AKS ENGINEERING**

**TUALATIN, OREGON** – AKS Engineering & Forestry, LLC, (AKS) recently announced the addition of Gary Hutcheson to the team.

D. Gary Hutcheson, PLS, has joined AKS as a Project Surveyor in the company's Tualatin office. Hutcheson has more than 43 years of experience managing field crews, overseeing the completion of projects, and building well-rounded, lasting relationships in the industry. Hutcheson is looking forward to being part of the AKS team, bringing his years of knowledge to this new venture.

Prior to joining AKS, Hutcheson worked as a Senior Project Manager for David Evans and Associates, Inc., (DEA) for 19 years. There, he also held the position of Quality Program Manager and Project Program Manager for the Geomatics Group. Prior joining DEA, he spent 14 years at Waker Associates, Inc., working as a Project Surveyor and Survey Manager.

Hutcheson holds a degree in Civil Engineering from the Oregon Institute of Technology. He is a registered Professional Land Surveyor in Oregon, California, and Washington.

Hutcheson is a member of the Professional Land Surveyors of Oregon, the Western Federation of Professional Land Surveyors, the National Society of Professional Land Surveyors, and the Land Surveyor's Association of Washington.

D. Gary Hutcheson can be contacted at (503) 563-6151. For information about AKS, visit [www.aks-eng.com](http://www.aks-eng.com).

**About AKS Engineering & Forestry, LLC**

AKS is a full-service, locally owned firm with over 20 years of experience providing consulting engineering services to the Portland Metropolitan Area and its surrounding cities. The 160-employee company has offices in Tualatin and Salem-Keizer, Oregon, and Vancouver, Washington. AKS provides civil engineering, land use planning, land surveying, hydrographic surveying, forestry and forest engineering, arborist, natural resources, water rights, flood elevation surveying and permitting, and landscape architecture services. This unique combination of services under one roof has allowed AKS to provide expertise on a range of project types, including industrial, commercial, residential, and municipal work. For more information about AKS, visit [www.aks-eng.com](http://www.aks-eng.com).
